

Jim Gerold,

Simply put, Gerold Bros. Builders & Renovators made our dreams a reality. Our family can't speak highly enough of the fantastic job that Jim Gerold and his crew completed for my family, from start to finish. Since we built our home over three years ago we have been so content. I must say I'm at ease with the results. We are very pleased with Jim and his amazing crew. They were always very detail oriented and had immaculate attention to detail. We have received many compliments on our custom built home over the past years. Our experience with Jim Gerold was outstanding from a great price to exceptional service, but by far the best part are the results. Jim not only did what he promised but they exceeded our expectations. We truly can not be happier and would highly recommend Jim to any of our friends or family members who are in the market to build and design a new home. We wouldn't think of any other builder if we were in need of another home in the future. Thanks for doing such a great job and still being there to ease any situation we may have!

Warmest Regards,

– Drs. Themis & Mary Kamlaris
