Dear Jim,

This is a short note to tell you how pleased we are with our two major projects. You and your people, made our dreams come true.

Plover Lane greatly exceeded our expectations (which were quite high.) Our family will enjoy this wonderful home for many years.

Now, the renovation of Walnut Tree Lane, almost completed, has resulted in the preservation of a grand, old home. It is better than new.

Adele and I are anxious to start the next project!

Warmest regards,

Robert Balemian
